Re: 99P-1340/CP 1 Petition to Have Eternity

Dear Sir or Madam:

In May, 1999, the Environmental Health
Klein's "Eternity eau de parfum" declared
petition and request that the FDA give it
740.1, 21CFR Sec. 740.2, and 21CFR Sec.

"Each ingredient used in a cosmetic
adequately substantiated for safety
safety is not adequately substantiated
following conspicuous statement:
"Warning--The safety of this product

As the petition shows, "Eternity" contains
been substantiated. There is no warning.

We all have a right to know the status of
so that we can protect ourselves and our
Most people are not aware that most fragrances
wrongfully assume these products are safe
complain.

Like tobacco smoke, the harmful chemicals
many people, including people with asthma
environmental illnesses. Children are particularly
purchased and used by their parents, caregivers.
When I am exposed to fragrance products

difficulty breathing - throat closed - stuffy nose

Please act on behalf of the millions of people
from fragrance exposure at work, at school,
powerful barriers to people disabled by asthma
chemicals in fragrances have already ruined

Sincerely,

Name Janice Bamberg
